**Hungry Cat**  
Buffet for Large Felines

**Tips for feeding the large cat:**  
Never feed your cat by hand.  
Always place food where  
children cannot help the  
cat eat. Always provide  
plenty of fresh water in  
the cat's run. When  
entering the run to  
feed your cat, ensure  
that the cat is watching  
the dish, not you.

**Care Tips for Large Cats:**  
Always provide lots of room  
for your cat to exercise. A tired  
cat is easier to care for and less  
playful. Make sure your cat  
never becomes bored. Provide  
your cat with many small toys  
to keep it occupied. Large cats  
can become extremely excited  
if they are hungry. It is  
important to remember:  
NEVER RUN OUT OF FOOD!

**APPROVED**  
By the International  
Association of Veterinarians  
of Large Felines. This  
product has been proven  
effective in providing all  
the nutritional needs of a  
big cat.
