

## Seeing which pages contain a color

1. Open the Color Separations dialog box:
  - a. Switch to the **Separations** or **Signatures** view.
  - b. Select a signature.
  - c. On the **Edit** menu, select **Color Separations**.
2. In the **Page Color** column, select a color.  
The **Pages containing selected color** area indicates which pages contain the color you selected.
3. Click **OK**.
