

# Submitting a job to Xerox using Workshop

Test the configuration by submitting a digital print job using Prinergy Workshop.

1. Add a PDF file to a job in Prinergy Workshop.
2. In Job Manager, right-click the file and select **Send to Digital**.
3. In the list of devices below the line separator, select the required digital device.
4. In the Submit to Digital Print dialog box, define any settings as required, and click **Submit**.  
Required information is indicated with a red asterisk.  
For information about the **Device Type** box in the JDF Overrides dialog box, see [setting up Xerox JDF templates](#).
5. In Digital Direct, right-click the document (digital print job), and click **Submit to Press**.
6. Check your output.

For more information about using the Start Process for Digital Printing dialog box, see the *Prinergy Workshop User Guide*.
