Prinergy Evo Training

Welcome to the training documents for the KODAK Prinergy Evo Software. If you have any questions and suggestions about these documents, please use the **Provide Feedback** button at the bottom of the page.

Find more Evo-related documentation in the release notes and user guide for your version.
For troubleshooting items, please go to Partner Place service and support portal.

You can create and download a PDF by clicking the **Tools** menu (three dots at the top right of the page) and then selecting **Export to PDF**. Various templates are available for downloading a single page, a page with its child pages, or all the Evo training pages.
