Viewing user approval status

When you set the approval status for a file in Smart Review, you can check your user approval status by positioning the mouse over the user icon in the lower area of the Smart Review window.

To view the users approval status, position the mouse over the **user** • The requested users' approval status is displayed.

Following are the available user status icons:

Status icon	Status icon description
?	Approval Pending
?	Review Pending
\odot	Review-OK
	Approved
\bigotimes	Review-Not OK
×	Rejected
?	Color Review/Approval Pending
\bigcirc	Color Approved
