Viewing projects and libraries

1. On the navigation toolbar, click **Projects, Libraries**.
2. In the left pane, select a customer.
   The left pane and the main pane lists all the projects or libraries for the customer.

   To switch between the project view and the library view, click the **View Project** or

   View Libraries button.
3. To view the contents inside the project or the library, in the left pane, click a project or a library.
