

Reprinting a label for Color Confirmation

The label printer can reprint labels for Color Confirmation.

1. In Proofer Viewer, from the **Measure** menu, select **Color Confirmation**.
2. Click **Next**.
3. In the **Proof ID** box, type the proof identification number from the proof label area, and click **Next**.
4. Click **Display** to see the report summary.
5. Click **Label** to reprint the label.
