

Objective 6—Replace the dummy artwork with live artwork

1. Perform one of the following actions:
 - From the **File** menu, select **Import > Artwork**.
 - In the Pandora toolbar, click the **Import Artwork** icon .
2. In the Import Artwork dialog box, locate where you are storing the sample activity files.
3. Locate the Petra Bag folder. Inside this folder, locate the PetraBag_Green.pdf file. Select the PDF file and click **Open**.

4. View the new artwork added to the **Content** tab in the **job properties** view.
5. In the **layout** view, select the Step and Repeat.
6. Select the live artwork and drag it from the **Content** tab to the Step and Repeat in the **layout** view.

The dummy artwork is replaced by the live artwork.
