

# Review questions: Using Marks in Pandora

1. What does binding a mark to artwork mean?

Instead of a mark being independent, binding a mark to artwork combines the mark and artwork into one.

2. How is a mark bound to a piece of artwork and then applied to all other pieces of artwork in a layout?

To bind a mark to one piece of artwork:

- a. Select the artwork.
- b. Select the mark.
- c. From the **Object** menu, select **Bind Mark to Artwork**.

To apply a bound mark to multiple artwork:

- a. Select the bound mark.
  - b. From the **Object** menu, select **Apply to All**.
3. What is a die station number mark?

A die station mark automatically reflects a die station number, once bound to a piece of artwork. The mark appears blank until it is bound to a piece of artwork.
