Objective 4 — Add altered die file to Pandora and add the artwork and marks

1. In Pandora, import the altered die file from your desktop that you named `XX_Brighton.cf2`.
2. Drag the refined 1-up artwork `Brighton.pdf` to the layout.
3. Add the 6-color bar and the die corners: **Marks > SmartMarks**.
4. Zoom into the center flap of the artwork to locate the clock mark.
5. On the **Marks** palette, browse to the **Label** folder to find the mark `LBL_DateClock.pdf` file.
6. Place the clock file on top of the embedded clock mark.
7. Highlight the mark and Shift-select the die station.
8. From the **Object** menu, select **Apply to all**.
