

Line Pathfinder

1. Launch the Adobe Illustrator software and open the file you want to work with.
2. In the Adobe Illustrator menu bar, in the Window menu, select **Prinerger > Tool > Line Pathfinder**.

3. Use the Selection tool to select a closed-path curve and an over-lapping open-path curve. Depending on the desired effect, click one of the following buttons:

Before processing		
Keep Biggest	After cropping, save the larger object.	
Keep Smallest	After cropping, save the smaller object.	
Keep Both	Save both objects.
