

# Setting up RBA

Before you can fully use Rules-Based Automation, you must configure user rights, file transfer settings, and e-mail in Prinergy Administrator.

- [About user rights for RBA](#)
- [Setting up e-mail service for RBA](#)
- [Handling rejected RBA e-mail messages](#)
- [Preparing for RBA e-mail if you use InSite Prepress Portal](#)
- [Setting up file transfers for RBA](#)
