

Preferences

The Preferences dialog box contains four tabs:

- The **General** tab includes preferences for **Locale**, **Measurements**, **Colors**, **Screen Cache Size**, **Folder Locations**, **Regional Versioning**, and **Color Mapping**.
- The **Die Settings** tab includes preferences for **Snap Artwork to Die**, **Bleed**, **Import Die Filters**, **Size Based On**, and **Multiple Die Align**.
- The **Substrates** (formerly: **Press Sheet**) tab includes preferences for [Automatically Sized Substrates](#) and [Flexo Plates](#).
- The **Marks** tab includes preferences for [excluding colors from use in marks](#).
