Using the mark in Pandora

To import the PDF file into Pandora as a mark:

1. In Pandora, on the **Marks** palette, click the **Import** icon.
2. Navigate to the mark, and select it.
3. Click **OK**.

To test the mark:

1. Create a new Pandora job that contains a substrate, an artwork, and the mark.
2. Print the job to a PDF file.
3. Open the PDF file in Acrobat.
   If the mark was created correctly, the bracketed text is replaced with the time that the job was printed.
