

KODAK PREPS Imposition Software 9.0

Welcome to the user guide and release notes for version 9.0 of KODAK PREPS Imposition Software.

If you have any questions about or suggestions for these documents, please use the **Provide Feedback** link at the bottom of the page.

To find more Preps-related documentation—for example, troubleshooting items—please go to the [Partner Place](#) service and support portal.

If you have a service contract, you will enjoy the benefits of free updates and preferred access to our knowledgeable and experienced support staff. If you are interested in purchasing a service contract, contact your sales representative or go to <http://www.graphics.kodak.com/services/default.htm>. Your sales representative can also provide information about upcoming [training classes](#) or customized on-site integration services for Preps.

If you have already taken one of the Preps online training classes (see the **Training Catalog** link at the top of the page), you can use "refresher" videos in Partner Place Answer ID [72700](#) to review the material covered in the training.
