

Submitting a job to Canon using New JTE Method

Test the configuration by submitting a digital print job in Prinergy Workshop using the new JTE method.

1. Add a PDF file to a job in Prinergy Workshop and Refine.
2. In Job Manager, right-click the Refined file and select **Send to Digital**.
3. In the list of devices below the line separator, select the required digital device.
4. In the Job Ticket Editor dialog box, define any settings as required, and click **Submit**.
5. Check your output in Track.
