

Job Activity Dashboard: Prinergy User Actions

In this discussion we explore the Job Activity dashboard with respect to Prinergy User Actions allows you to monitor and track processing activity within your Prinergy Workflow, on a per job and or per user basis.

- Your data is only as good as your Users! For the data to be effective, all your Users should have their OWN identity!!
 - Clicking on the User name in the Chart, will FOCUS the Table below.
-
