

Smart Review

Smart Review enables you to **View**, **Annotate**, **Review** and **Approve** high-resolution previews of files uploaded to PRINERGY Access.

You have the following actions available in Smart Review:

- Change how Pages appear in Smart Review
- Compare two different files
- View Preflight Reports
- Use Mark-up tools on pages
- Add Annotations and Comments
- Review and Approve pages
- Print pages to a Local Printer

For more details, see the following sections:
