

Do not load Prinerger Tools

You can now choose Load or Do not load Prinerger Tools when launching Illustrator next time.

1. Start Adobe Illustrator.
2. From the **Illustrator CC > Prinerger Tools License Manager** menu, select **Do not load Prinerger Tools** then Prinerger Tools won't be loaded next time Illustrator is launched.

3. The following message window will pop up and Prinerger Tools will not be loaded when Illustrator launches next time.
