

Submitting a job to Konica Minolta using Workshop

Test the configuration by submitting a digital print job using Prinergy Workshop.

1. In Prinergy Workshop, add a PDF file that has a SmartBoard monochrome job ticket as an input file.
2. In Job Manager, right-click the file, and select **Send to Digital**.
3. In the list of devices below the line separator, select the required digital device.
4. In the Submit to Digital Print dialog box, define any settings as required, and click **Submit**.
5. In Digital Direct, right-click the document (digital print job), and click **Submit to Press**.
6. Check your output.
