

Locating documents in the Kodak Customer Portal

Some of the documents that this user guide refers to are available on the Kodak Customer Portal. Some have been translated into other languages.

To access documents on Kodak Customer Portal:

1. Log on to the Kodak Customer Portal at <https://customer.kodak.com>.
2. In the Kodak Customer Portal window, select the Knowledge Base tile.
3. In the **search** box, type your search term, and click **Search**.
4. Click the name of the document that you want to access.

The page that opens (called answer) includes a link to this document. If the document was translated, the translations are available next to the English version.
