

Deleting a preset

1. In the Digital Job Ticker Editor, from the **Preset** menu, select the preset that you want to delete.
2. Click  (located on the right of the **Preset** box), and from the menu, select **Delete**.
3. In the Delete confirmation message, click **Delete**.
The preset is removed from the list of presets on the Prinergy server and from the **Preset** menu in the Digital Job Ticket Editor.
