

New Zoom and Pan controls in Prinergy 8.0.2 Dotshop

Zoom and pan controls have been updated in Prinergy 8.0.2.

After selecting an object, you can use the following key shortcuts to zoom or pan.

On Mac:

- To pan, press the space bar.
- To zoom in, press space+Command.
- To zoom out, press space+Command+Option.

In Windows:

- To pan, press the space bar.
- To zoom in, press Ctrl+space.
- To zoom out, press Ctrl+space+Alt.
