

Removing a selection from the list

Choose the colors that objects, traps, borders, and highlights will appear in when you select them in the Properties Editor.

The items that you select are listed in the Properties Editor.

To remove a selection from the list, perform one of the following actions:

- Hold down Shift, and click the selected item.
- Hold down Shift, and draw a marquee around the selected item.
- Hold down Shift, and select the item from the contextual menu list.
