

Setting Fit Width and Fit Page views

You can fit the image of a PDF page in the plug-in window according to the page's width or size. On the plug-in's window status toolbar:

- Click the **Fit Width** button to resize the view of the PDF page according to its width.
- Click the **Fit Page** button to view the entire PDF page in the plug-in window.

Note: **Fit Page** and **Fit Width** are also available on the plug-in window's magnification menu.
