

Making the PDF Compare toolbar visible

1. Start Adobe Acrobat.
2. Select **View > Toolbars > Kodak Tools**.
3. Move the toolbar to the desired position—for example, to the top or side of the Acrobat window.

4. Click the **Prinerger PDF Compare** icon:

Notes:

- In Acrobat 8 or 9, you can also access Prinerger PDF Compare by selecting **Advanced > Kodak Tools > Prinerger PDF Compare**.
- In Acrobat X, select **View > Tools > Plugin Kodak Tools** and then select the **Prinerger PDF Compare** icon from the **Plugin Kodak Tools** section of the **Tools** panel on the right.
