

Making the PDF Merge toolbar visible

1. Start Adobe Acrobat.
2. Select **View > Toolbars > Prinerger PDF Merge**.

3. Move the toolbar to the desired position, for example, to the top or side of the Adobe Acrobat window.

Note: In Acrobat X, you can also select **View > Tools > Pluin PDF Merge** and then select the **Prinerger PDF Merge** icon from the **Plug-In Prinerger PDF Merge** section of the **Tools** panel on the right.
