

Selecting with a mouse click¹

Adjust the preferences for object and border colors, units of measure, and so on.

1. Click the **Plate Builder Tool** button to start a Plate Builder session.
After you successfully connect, the Plate Builder Properties Editor dialog box appears.
2. On the Plate Builder toolbar, click **Select Object**.
3. Click an object in the Plate Builder window.
4. To add an object, hold down the Shift key and click another object.
5. To remove an object from a selection group, hold down the Shift key and click the object.
