

KODAK PREPS Imposition Software 11.7

User Guide Document ~~731-02244A-AC~~

Welcome to the user guide and release notes for version 11.6 of KODAK PREPS Imposition Software.

If you have any questions about or suggestions for these documents, please use the **Provide Feedback** link at the bottom of the page.

To find more Preps-related documentation—for example, troubleshooting items—please go to the [Kodak Customer Portal](#).

If you have a service contract, you will enjoy the benefits of free updates and preferred access to our knowledgeable and experienced support staff. If you are interested in purchasing a service contract, contact your sales representative or go to <https://www.kodak.com/en/print/page/contact-sales>. Your sales representative can also provide information about upcoming training classes or customized on-site integration services for Preps.

If you have already taken one of the Preps online training classes (see the **Training Catalog** link at the top of the page), you can use "refresher" videos in the Kodak Customer Portal, Knowledge Base Article KA24037, to review the material covered in the training.
