

Web Growth Compensation Sets window

Select **Resources > Web Growth Compensation Sets**.

Option	Description
Table of scaling sets	You can click a column header to change the sort order. This does not affect the alphabetical sort order of scaling sets on the Web Growth tab in the Print dialog box. None is always the first item in the list.
Set type	All types are Scaling .
Name	Name of the scaling set
Ink Units	Number of units that you defined when creating this scaling set
Sheet Width	Press sheet width that you defined when creating this scaling set
