

You can remove a user group from a customer account.

Requirements: You must have an administrative role that includes the Manage Access and View Users rights.

1. If necessary, open the **Administration** area. (On the home page, click **Administration**.)
2. In the **Administration** area, click **Users**.
3. Right-click the name of the user group that you want to delete.
4. From the menu that appears, select **Delete User Group**.
5. In the confirmation message that appears, click **Confirm**.
