

Requirements: You must have a job role that includes the Edit Color Management right.

1. Locate the job, and click the job name.
The job's pages appear.
2. In the **Pages** area, right-click the pages from which you want to remove color approval.
3. From the menu that appears, select **Set Color Target**.
4. Clear the **Require Color Approval** check box.
5. Click **Set Color Target**.
