

About InSite Gateway

InSite Gateway is an extension (plug-in) tool that you can install on the Adobe Creative applications, InDesign and Illustrator.

The extension allows you to compose a PDF file from the applications and submit to a job on the InSite Prepress Portal server directly from the workstation.

Requirements:

- Windows (11) or Mac (13, 14, 15, 26) computer with Adobe InDesign or Illustrator installed.
- Supported Adobe Creative applications
 - Adobe InDesign 2023 or later installed on Windows or Mac computers
 - Adobe Illustrator 2023 or later installed on Windows or Mac computers
- Supported InSite Prepress Portal version
 - 11.5 and 11.6
