

Matchprint Virtual 11.6 new features and improvements

Support for integration with InSite Prepress Portal 11.6 and InSite Creative Workflow 11.6

Matchprint Virtual 11.6.x will work with InSite Prepress Portal 11.6 and InSite Creative Workflow 11.6.

Support for Eizo CS2400S

Matchprint Virtual 11.6 works with a budget-friendly new Eizo monitor, the Eizo CS2400S. (MV-465)

Updated software drivers

MV has updated to the latest 3rd-party libraries for EIZO and NEC monitors, and the XRite colorimeters.

Security Enhancements and bug fixes
