

Activity 4: Search layouts

Searching layouts

1. In the **Resources** pane, click **Layouts** to expand the list.
2. Click the magnifying glass icon  to activate the **Search** tool.
3. Click **[+]** to display the first line of search criteria.
4. In the search criteria list, select **Page Count**.
5. Type 8 in the box.
6. Click **[+]** to display another search criteria list.
7. Select **Page Size**.
8. In the **W** (width) box, type 38 (metric: 965.2). In the **H** (height) box, type 25 (metric: 635).

The long list of templates and fold patterns are narrowed down to fold patterns that meet the criteria. Feel free to experiment with search criteria by adding, removing, or changing the criteria.

- To delete criteria, click **[-]**.
- To reset all criteria, click **Reset**.
