

Copy activity files to the job folder

1. Minimize Job Manager.
2. From your workstation, locate and open the Rules-Based Automation Activity Files folder.
3. Select and copy the Imposition Plans and Input Files activity file folders.
4. Restore Job Manager.
5. Right-click the <XX>_RBA_Job icon in the lower-left corner of Job Manager.
6. Select **Open Job Folder in File Browser**.
7. Open the UserDefinedFolders folder.

8. Right-click inside the folder, and select **Paste items**.
The activity files are now copied to UserDefinedFolders folder.
