

Reviewing and approving pages in Smart Review and in the pages list

You can review, approve, or reject pages in Smart Review or in the job's pages area. In Smart Review, you can also request corrections for pages. In Smart Review, you can review OK or approve only one page at a time. In the job's pages area, you can review OK or approve multiple pages at once.

Requirements: Your job role must include the Give Final Approval right for approving or rejecting pages.
